Started in January 2001, Designer Loft brings to NYC the most talented top and emerging bridal designers from around the world, including a number whose work is shown exclusively at Designer Loft. The gowns reflect a variety of tastes, sizes and styles, celebrating the diversity of every Designer Loft bride. Service is what makes us different! Check the attitude and snobbery at the door, this experience is designed with ease and comfort in mind! Designer Loft is an upscale atelier “which feels like home”. Ranked among the top salons Manhattan by editors of “TheKnot.com”, “Brides.com”, “TimeOutNewYork”, “GraceOrmondeWeddingStyle” and “NewYorkMagazineWeddings”.
